

Huebsch Home Retail Dryer ZDEE9BGS435NN29

Huebsch® dryers do more than dry your laundry—they dry it to perfection each and every load for the life of the machine. Through special drying cycles, a flawless Axial Airflow pattern and advanced moisture sensing, you can eliminate excessive drying and save money on your utility bill. If you want durability, innovation and perfectly dried laundry the first time, you need a Huebsch dryer.

Perfected Drying

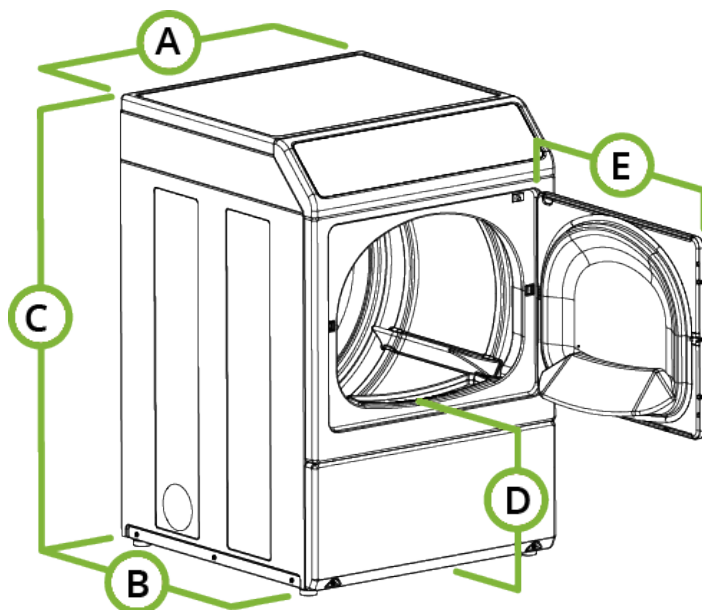

Huebsch dryers deliver a superior dry every time by achieving the ideal balance between drying temperature, airflow pattern and mechanical action. With commercial-grade components like a heavy-duty fan system and an advanced airflow pattern that ensures every bit of warm air enters the cylinder and dries the clothes. Huebsch dryers deliver the perfect dry, every time.

- Reversible Door allows you to configure your dryer so that the door opens in the most convenient direction for your needs and laundry room layout.
- Interior Light illuminates inside of dryer when door is opened for clear visibility of contents.
- Up-Front Lint Filter allows fast and easy cleaning.
- End of Cycle Indicator clearly notifies you when a cycle is complete.
- Moisture Sensors & Moisture Level Selection allow you to preset the dryness level of each load and automatically stops the cycle once that level is reached.
- Time Remaining Display eliminates guesswork by clearly showing when your laundry will be finished.

Huebsch Homestyle Dryer - Homestyle Dryer Specifications

Model	ZDEE9BGS435NN29
General details	
Control	HEC
Control location	Front 45 degree
Actuation	None
